2007 yılında TUNART İÇ ODA KAPILARI üretimine başlamış olup grup firmalarının ithalat ve ihracatlarını yapmak üzere NİLTUNA DIŞ TİCARET şirketimiz faaliyet göstermektedir. Müşterilerine daha iyi ve hızlı hizmet sağlamak adına Grup şirketlerimiz yanı sıra iki farklı marka adı altında çelik kapı üretim yapan tesislere de iştirak etmekteyiz. TUNA KAPI SİSTEMLERİ olarak kuruluşundan bu yana üretimimizin %60'den Fazlasını 4 kıtada 30'dan fazla ülkeye ihraç edilmekte olup Afrika'dan Avrupa'ya, Ortadoğu'dan Kafkaslara ürünlerimiz güvenle kullanılmaktadır. Kuruluşundan bu yana teknolojik gelişimi, innovasyon ve kalitesi ile sürekli gelişimini sürdüren firmamız her zaman daha kaliteli ve modern ürünleri ile sektörünün güvenilir ve öncü firmasıdır. Çelik kapılarda esas olan güvenlik ve sağlamlık unsurlarının yanı sıra estetik & modern dizayn, ile "kapı" kültürümüze yeni bir boyut kazandırmıştır. TUNA KAPI SİSTEMLERİ üretim öncesi ve sonrasında uzman kadrosu ile uluslararası kalite standartlarını benimsemiş olup yerel ve uluslararası akredite kuruluşlar tarafından onaylanmış Kalite Yönetim Sistemi Belgelerine sahiptir.

Geçmişten Geleceğe Slogamız ile Daha Güvenli Bir Yaşam için Tuna Kapı Sistemleri

TUNA GROUP began its production activities in the automotive sector in 1972, manufacturing dumpers and truck trailers. After 23 years of experience in the metal industry, the group established TUNA DOOR SYSTEMS.

We are a comprehensive door systems manufacturer, producing a wide range of products—from technologically advanced villa doors with smart security features to certified fire and emergency exit doors.

Since 2007, our subsidiary TUNART has complemented this portfolio by specializing in interior wooden doors. To streamline our global operations, all international logistics are handled by NİLTUNA FOREIGN TRADE.

This integrated structure, supported by partner production facilities for steel doors under separate brands, allows us to deliver customized, high-quality solutions with exceptional speed and service.

TUNA DOOR SYSTEMS has consistently exported over 60% of its production worldwide.

Our products are now safely installed in more than 30 countries across four continents—from Europe and Africa to the Middle East and the Caucasus.

Since its founding, our company has continuously evolved through technological advancement, innovation, and an unwavering commitment to quality.

This has solidified our position as the trusted and leading firm in the sector, built on consistently offering superior, modern products.

Beyond the essential elements of security and durability, our aesthetic and modern designs have added a new dimension to door culture.

TUNA Door Systems adheres to international quality standards at every stage, supported by expert staff, and holds Quality Management System certificates approved by local and internationally accredited organizations.

Our slogan: "From Past to Future, Tuna Door Systems for a Safer Life."

بدأت مجموعة تونا TUNA GROUP أنشطتها الإنتاجية في قطاع السيارات في عام 1972 بإنتاج مقطورات الشاحنات وتم إنشاء تونا لانظمة الابواب TUNA DOOR SYSTEMS نتيجة لخبرتها التي تبلغ 23 عامًا في قطاع المعادن في عام 1995، نحن نصنع أبواب الفلل المزودة بأنظمة أمان تكنولوجية فائقة، وأنظمة المنازل الذكية المقاومة للظروف الخارجية وأبواب الشقق، وأبواب مخارج الطوارئ الحاصلة على شهادة مقاومة الحريق، والابواب الكهربائية وأبواب الطوارئ العمودية، ونصنع بناءً على طلب العميل أبوابًا خاصة بمقاسات مخصصة وأنظمة فتح دوائر ( محورية )

# Geçmişin Estetiği Günümüzde Yaşıyor

“Selçuklu Geometrik Motifleri, evrenin düzenini ve sonsuzluğu temsil eden eşsiz desenler. Osmanlı Hat Sanatı kapı üzerindeki yazılar, eve huzur ve bereket getirdiğine inanılan ayetlerle süslenirdi. Dövme demir işçiliği, el işçiliğiyle yapılan özel motifler, dayanıklılıkla estetiği birleştirirdi.
